ABOUT ME

I'm Ahmad Riaz, a developer passionate about creating innovative web solutions. I have skills in HTML, CSS, JavaScript, PHP, and CodeIgniter, and I'm working on improving my backend development expertise. As a university student and part of MJ Coders, I'm focused on building exciting projects, including my final year project.

EXPERIENCE

Lead Web Developer

As a skilled web developer, I specialize in creating responsive and user-friendly web applications. I have hands-on experience with front-end and back-end technologies, including HTML, CSS, JavaScript, PHP, and CodeIgniter. My focus is on delivering innovative solutions, enhancing user experiences, and managing projects efficiently, including my role at MJ Coders
